PC:

By this petition the petitioners have challenged the action of the respondent inviting fresh tenders on the ground that the petitioner being sole valid tenderer his bid should have been accepted or he could have been asked for negotiations. Instead of doing that the respondents have decided to call petitioners and other bidders (respondent No.4). Writ petition to enforce conditions of offer to bid will not be maintainable. It is open for the petitioners to again attempt to get work when fresh call is received. We therefore see no reason to interfere. Petition rejected.
